

Course for Ohio River Swim

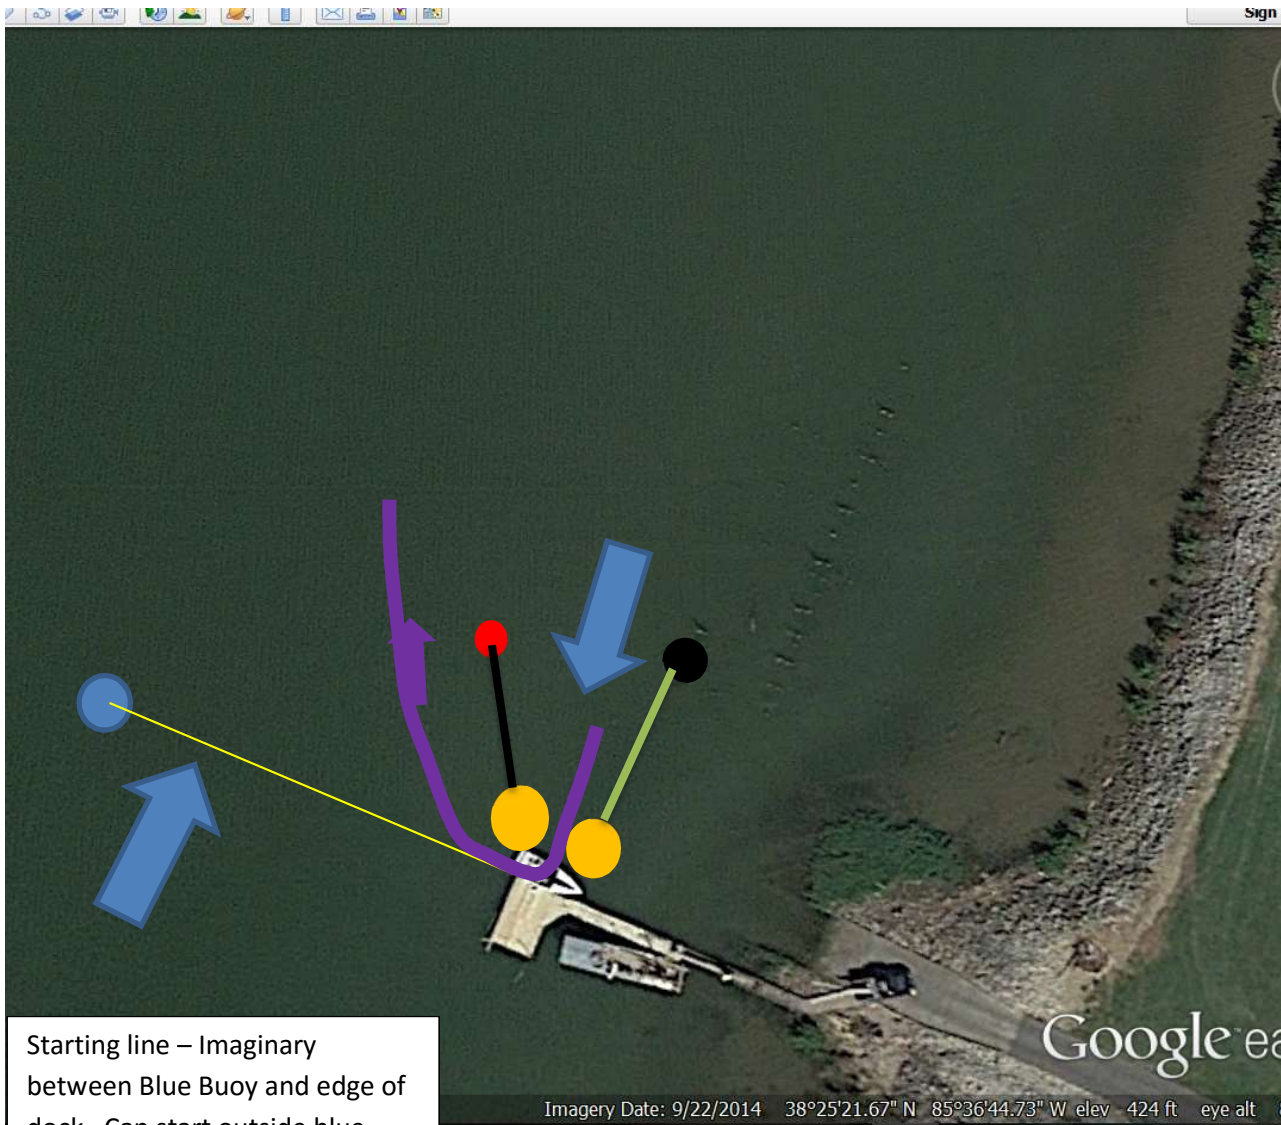

1K Swim ——— Turn around the first set of orange tomato buoys and return to the docket finishing in the chute.

2K Swim ——— 1 lap of the course. Turn around the large triangular buoy and return to the dock finishing in the chute.

4K Swim - - - 2 laps of the course. Follow the 2K course. Go thru the finish chute and go around the orange tomato buoy return for the 2nd lap.

Small Red & Yellow Buoys. Small red and yellow buoys mark the kayak zone which is in the middle of the course. Red buoys are on the Indiana side of the river. Yellow buoys are on the Kentucky side of the river. Swimmer should stay out of this area and always have the buoys on their right side.

Details of Start, Finish and 4K Lap Turn

Starting line – Imaginary between Blue Buoy and edge of dock. Can start outside blue buoy as long as swimmer is behind imaginary line.

Finish – Between the two large orange tomato buoys. A rope chute will guide you to the finish

4K Turn – Swimmers will go between the finish buoys and then turn back for another lap of the course. Purple Line.
